I'M A LITTLE MONSTER, GET ME TO MY BOAT!

BOBBI'S TOY BOAT

Bobbi is an aquatic lady who lives in a creek her favourite thing to do is watch boats all week! When she grows up big, tall and strong, she wants to be a captain - to sail far and long. But for now, she has her heart set on a toy with an anchor, a chimney, and a buoy! Thankfully, her local credit union helped out and that's how her dream came about. There they opened up her very own account where she saved every week, whatever the amount. She lodged every coin and every bank note and soon she had enough for her very own boat!

Credit unions in the Republic of Ireland are regulated by the Central Bank of Ireland. Credit unions in Northern Ireland are authorised by the Prudential Regulation Authority, and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.
